3) You are required to set up your security questions first.

MIMS Self Service Password Reset

Setup Security Questions

If you forget your password, you can access your account by answering your security questions.

Please choose your questions and answers that can be used to verify your identity in case you forget your password. Because the answers to these questions can be used to access your account, be sure to supply answers that are not easy for others to guess or discover.

Please type your security answers

4) Once you're done, review your questions then click "Confirm Security Answers".

You will need to answer your security questions when you use the "Forget Password" button to do a self-reset.

MIMS Self Service Password Reset

Confirm Security Questions

Be sure your answers and questions are correct. Check the spelling and punctuation. In you are unable to remember your password, you will be able to access your account by supplying the answers to these security questions.

What is your favourite food?

Ramen

What is your favourite animal?

Shark

What is your favourite colour?

Turquoise

5) Click "Continue".

Success

Thank you. Your secret questions and answers have been successfully saved. If you ever forget your password, you can use the answers to these questions to reset your password.

An orange arrow points to the "Continue" button.

6) You will be prompted to change your password. Please change your password, following the password criteria.

Change Password

Please change your password. Keep your new password secure. After you type your new password, click the Change Password button. If you must write it down, be sure to keep it in a safe place. Your new password must meet the following requirements:

- Password is case sensitive.
- Must be at least 12 characters long.
- The first character can not be a symbol (non letter or number).
- Must not include part of your name or user name.
- Must have at least three types of the following characters:
 - Uppercase (A-Z)
 - Lowercase (a-z)
 - Number (0-9)
 - Symbol (!, #, \$, etc.)

Please type your new password
